Subject: A report of activity "Millets Awareness Programme" at different school.

Regressed Sin

As per the United Nation has declared this year as International year of millets 2023 (IYM) and Central Government of India also taken stand to create awareness about the food and havith.

So,on the occassion of IYM-2023 Department of Botany has arranged "Millets Awareness programme on the 21 February 2023 and 22 February 2023 at different school. Total 4 Post Graduate students and 2 teachers were visited the school. In this programme our students organized small millets products exhibition through this they told the health benefits of millets very nicely.

The millets awareness programme were conducted at following school.
