Report of Certificate Course – Train, Earn and Learn under collaboration with ICAI.

Respected Sir,

I am pleased to present the report on the Certificate Course – 'Train, Earn and Learn' (TEL) conducted in collaboration with the Institute of Chartered Accountants of India (ICAI), Mumbai.

The TEL course, aimed at empowering T.Y. B. Com. students, integrates theoretical knowledge with practical experience, equipping participants with industry-relevant skills to enhance their employability.

The primary objective of TEL is to bridge the gap between academic learning and real-world application by providing hands-on training in various aspects of accounting and finance under the guidance of seasoned professionals from ICAI. The course comprises a structured curriculum covering key topics in accounting, taxation, financial management, communication skills, and personality development. Sessions are conducted by certified trainers and industry experts affiliated with WIRC, ICAI, Mumbai, ensuring the highest standards of education and training.

A total of 362 T.Y. B.Com. students were enrolled in the course, out of which **358** successfully completed it. Hence, I request you to award **2 credits** to all the students who successfully completed the course. The list of students who successfully completed the course is attached separately.

I would like to extend my gratitude to CA Anand Shah, CA Dinesh Jadhav, Adv. Swapnil Shah, and CA Shahaji Jadhav for conducting additional practical sessions of the course.

The entire responsibility of the course was shouldered by Dr. Niranjana R. Shah as Course Coordinator under the dynamic guidance of Principal Dr. Avinash S. Jagtap. I would also like to extend my gratitude to our Registrar, Mr. Abhinandan B. Shah, whose support was invaluable in ensuring the successful execution of the course.

Thank you.
