Report of Five Days Hands-on Training on Machine Learning using Python

Date – 18/01/2023

BBA(C.A) Department.

To,
The Principal,
Tuljaram Chaturchand College,
Baramati.

Subject: –Reporting of five days hands-on training program on “Machine Learning using Python” for TYBBA(CA) students

Respected Sir,

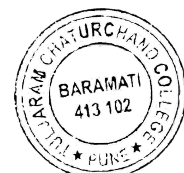

Department of BBA(C.A.) Tuljaram Chaturchand College of Arts, Science and Commerce, Baramati had signed MoU with AIS Solutions Pvt. Ltd. Pune. Collaboration with AIS Solution Pvt. Ltd. Pune, BBA(C.A.) Department and RUSA jointly organized five days hands-on training program on “Machine Learning using Python” for TYBBA (CA) students dated from 9/01/2023 to 13/01/2023 from 10.00 am to 5.00 pm.

The motto of this training program was to give practical insights about Machine Learning Modules to the students and to discuss how they can start their high-flying careers in Machine Learning Development.

Mr. Prajyot Patil, Founder of AIS Solutions Pvt. Ltd. Pune, was invited for conducting the training program for 40 students of TYBBA (C.A). The main emphasis of this training program is to provide practical hands-on training of various Machine Learning Modules Development & to give valuable knowledge & skills by doing instead of watching. The training was conducted in two sessions every day.

On the first day of training, he explained Anaconda Installation, Concepts in Python programming like Variables, Data Types, Operators, Looping & Conditional Statements, Functions.

On the second day of training, he explained the Libraries in Python like Numpy, Pandas & Matplotlib & also conducted practical based on these libraries.

On the third & fourth day of training, he provided hands-on training on various types of Machine Learning Models.

On the fifth day, the hands-on training on OpenCV and image processing application development was taken.

The students enjoyed the training and learned Machine Learning practicals rather than learning it theoretically. The students were enthusiastically asked questions & their doubts which were answered & cleared by Mr. Prajyot Patil. The beneficiaries of this training have learned about tools to train machines based on real-world situations using Machine Learning algorithms and prepare them to create applications efficiently.

The training was coordinated with the support of the Principal & Faculties. The workshop ended with a pleasant note with both students & faculty.

Thanking you,

Yours Faithfully,
