Report on "Pharmaceutical Techniques and Industrial Skill Development"

Student Level Workshop

We have organized One Day workshop entitled as "Pharmaceutical Techniques and Industrial Skill Development" under ED cell on 15th Sept 2023.

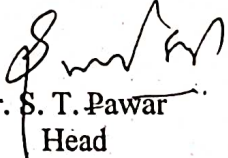

This workshop was jointly organized by Department of Microbiology, Tuljaram Chaturchand College in collaboration with Entrepreneurship Development Cell

The objective of the workshop was to impart professional skills required in pharmaceutical and biotechnology.

Participants were T.Y.B.Sc & M.Sc-I students from Microbiology department. Total 79 participants are benefited by this workshop.

As an outcome of this workshop, participants have gained knowledge of project planning, management skills as well strategic thinking and creative problem solving with respect to operations of industry trends. Overall the workshop was very thought provoking. This workshop was useful for students to improve their future career growth.

Dr. S. T. Pawar
Head
Department of Microbiology
