Report of Hands-on Training Programme on Drone Survey

Department of Geography, Tulajaram Chaturchand College Baramati, in collaboration with Student Development Centre, Savitribai Phule Pune University (SPPU), Pune has organized one day workshop on “**Hands on Training Programme on Drone Survey**” dated 12/02/2024.

The one-day workshop aimed to provide participants with practical hands-on training in drone survey techniques, enhancing their skills in geographic data collection and analysis using modern technology.

Welcome Address & Inaugural Speech: The workshop commenced with a warm welcome extended by the **Dr. Arun Magar**, Head of the Geography Department, Tuljaram Chaturchand College, Baramati, expressing gratitude to the participants and the resource person for their presence.

A brief inaugural speech was delivered by the Head of the Department of Geography, highlighting the importance of integrating drone technology in geographical research and its applications in various domains.

Keynote Address: Dr. Shrikant Gabale provided an insightful keynote address, introducing participants to the fundamentals of drone technology, its components, and its significance in geographical surveys. The resource person conducted a detailed technical session covering various aspects of drone surveying techniques, including flight planning, data acquisition, and safety protocols.

Presidential Address: Presidential address given by **Dr. Sachin Gadekar**, Vice Principal, Tuljaram Chaturchand College, Baramati, highlighting the importance of advanced technologies like Drone Survey and GIS in geography, and commended the Geography Department for organizing the workshop. He extended his best wishes to all participants for a fruitful and enriching experience during the “Hands-on Training on Drone Survey” workshop. May you all emerge from this workshop with newfound skills, knowledge, and inspiration to make meaningful contributions to the field of geographical research and beyond.

Live Demonstration: Participants were provided with a live demonstration of drone operation, showcasing the process of flight control, image capture, and data transmission. Participants engaged in practical sessions where they were given the opportunity to operate drones under the supervision of experts. They learned to plan flights, capture images, and handle the

equipment effectively. Many participants clarified their doubts and sought additional guidance on drone surveying techniques.

The workshop concluded with a vote of thanks extended by the **Ms. Sayali Pawar**, expressing gratitude to the resource person, participants, and sponsors for their contributions towards making the event successful.

The one-day workshop on Hands-on Training on Drone Survey proved to be a fruitful endeavor, equipping participants with practical skills and knowledge in utilizing drone technology for geographical surveys. The interactive sessions, live demonstrations, and hands-on training provided a comprehensive learning experience, enabling participants to leverage drone technology effectively in their research and professional endeavors.

The workshop drew participation from students of other colleges including Shardashri Pawar Women's College, Shardashri, M.S. Kakade College Someshwarnagar, and Arts, Science, and Commerce College Indpur. A total of **75 students** and **14 teachers** successfully completed the workshop.

Feedback collected from participants indicated high satisfaction with the workshop content, organization, and the expertise of the resource person. Many expressed their eagerness to apply the knowledge gained in their academic and professional pursuits, highlighting the workshop's effectiveness in enhancing their skills and understanding of drone surveying techniques.

The coordination of the workshop was led by **Dr. Asaram Jadhav**, Associate Professor in the Department of Geography, with the dedicated assistance of the department's staff **Mr. Vinayak Chavan**, **Ms. Sayali Pawar**, **Ms. Ayasha Mulani** and **Aisha Tamboli**, **Peon Ganesh Shinde** and volunteers **Priyanka Pawar**, **Vikas Kambale**, **Bhushan Waghmare**, **Rucha Tilekar**, **Muskan Shaikh**, **Poonam Banakar**, **Pooja Shere**, **Vaishanvi Shinagte**, and **Samiksha Bhosale**. The collective efforts of the department's staff and students were instrumental in ensuring the successful completion of the workshop, demonstrating their commitment and hard work towards its execution.

Overall, the workshop served as a significant platform for fostering skill development and promoting the integration of modern technology in geographical research and education.
