**Report**

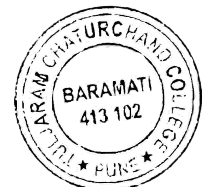

- ❖ **Event:** One day workshop on Map Making Using GIS Software
- ❖ **Resource Person:** Dr. Shrikant Gabale (Director, Graphias Solutions Pvt. Ltd.)
- ❖ **Day and Date:** Tuesday 13<sup>th</sup> February 2024
- ❖ **Time :** 10:00 am to 05:00 pm
- ❖ **Venue:** Auditorium Hall, Administrative Building T. C. College Baramati.

The Department of Geography at Tuljaram Chaturchand College, Baramati, in collaboration with the Entrepreneurship Development Cell, organized a One day workshop on Map making using GIS software on Tuesday 13<sup>th</sup> February 2024. Dr. Shrikant Gabale, an expert in GIS technology and the Director of Graphias Solutions Pvt Ltd, Pune, served as the resource person for the workshop.

The Workshop aimed at to introduce participants to the concepts and tools of GIS for map making. To provide hands-on training on GIS software for creating and analyzing spatial data. To explore the applications of GIS in various fields, including geography, urban planning, and environmental management.

The workshop commenced with an inaugural function at 10:00 AM, where dignitaries, faculty members, and participants were welcomed by Head Dr. Arun S. Magar. Dr. Shrikant Gabale delivered the keynote address, emphasizing the importance of GIS technology in modern map making and its relevance in diverse sectors. Dr. Avinash Jagtap, the Principal, delivered the presidential address, highlighting the importance of advanced technologies like RS and GIS in geography, and commended the Geography Department for organizing the workshop.

Following the inaugural session, participants engaged in interactive lectures and practical demonstrations conducted by Dr. Gabale. The sessions covered topics such as GIS fundamentals, spatial data acquisition, data processing, and map visualization techniques. Participants were provided with hands-on training on popular GIS software applications, enabling them to create and manipulate spatial data, design thematic maps, and perform spatial analysis.

Throughout the workshop, Dr. Gabale shared real-world examples and case studies highlighting the utility of GIS in solving geographical problems and facilitating informed decision-making. Participants had the opportunity to ask questions, exchange ideas, and gain insights into best practices for map making and GIS application development.

The workshop drew participation from students and teachers from other colleges including Shardashri Pawar Women's College, Shardashri Nagar, M.S. Kakade College Someshwarnagar, and Indapur college of Arts, Science, and Commerce, Indapur. A total of 89 students and 15 teachers successfully completed the workshop.

The workshop concluded with a valedictory function at 4:30 pm, where certificates of participation were distributed to the attendees. Participants also had the chance to interact with the organizers and provide feedback on the workshop's content and delivery. Participants expressed gratitude for the opportunity to enhance their skills in GIS mapping and appreciated the comprehensive and interactive nature of the workshop. They highlighted the practical relevance of the sessions in their academic and professional endeavors, expressing a desire for similar workshops in the future.

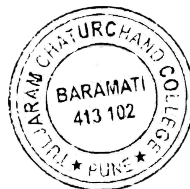

The coordination of the workshop was led by Mr. Vinayak Chavan, under the guidance of Head Dr. Arun Magar, with the dedicated assistance of the department's staff Dr. Asaram Jadhav, Ms. Sayali Pawar, Ms. Aysha Mulani, Ms. Aisha Tamboli, Mr. Ganesh Shinde and volunteers. The volunteer team comprised Bhushan Waghmare, Rucha Tilekar, Muskan Shaikh, Poonam Banakar, Pooja Shere, Vaishanvi Shinagte, and Samiksha Bhosale. The collective efforts of the department's staff and students were instrumental in ensuring the successful completion of the workshop, demonstrating their commitment and hard work towards its execution.

**Subject:** Regarding organization of workshops

Respected Sir,

With reference to above cited subject, I would like to inform you that Student Development Cell, SPPU, Pune has approved a grant of Rs. 3,000 for conducting a workshop on "Drone Survey." Additionally, the Entrepreneurship Development (ED) Cell of our college is going to provide Rs. 10,000 towards conducting a workshop. Our plan is to arrange a one-day workshop on "Map Making through GIS Software" under the auspices of the ED Cell.

However, I must bring to your attention that the amount allocated by SPPU (Rs. 3,000) is inadequate for the "Drone Survey" workshop. This is a practical training session that necessitates the use of drones for instruction purposes. Consequently, I kindly request that the funding for our department from the ED Cell be increased from Rs. 10,000/- to Rs. 25,000/-. This additional funding will enable us to effectively conduct the workshop on both "Drone Survey" and "Map Making through GIS Software."

Thank You,

Yours Sincerely,

*Prof. Dr. V.C. Kakade
