With your kind permission and sanction, we have organized "3days Hands on training programme in Bioinformatics" under ED cell of RUSA from 6th to 8th September, 2022.

The programme was inaugurated by Prin. Dr. C. V. Murumkar. Training programme divided into theory and hands on session. In three days programme Mr. Ranjit More from, Indapur College, Indapur focused on basics in bioinformatics, markers used in Bioinformatics. In hands on session they taught use of different softwares for multiple alignment like CLUSTAL - W, MUSCLE, MEGA and ITOL. Where students come to know Construction of MEGA tree and analysis of tree by using softwares.

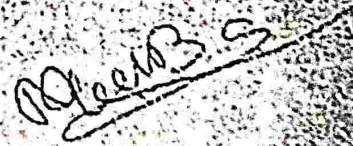

On third day of workshop we have arranged quiz competition for students. First three winners of competition are

- 1) Supekar Snehal
- 2) Shinde Nisha
- 3) Shinde Bhagyashri, Kadam Vidya, Gore Nitin

The workshop is helpful to students to analyze the DNA sequences obtained by isolation and purification from plants. Total 40 students benefited from the workshop. We are very much grateful to you for your kind permission and sanction.

Thanking you.
