### E-Governance Report 2020-21

#### **Introduction: -**

Tuljaram Chaturchand College of Arts, Science and Commerce, Baramati, Pune is one of the leading and prestigious colleges in Maharashtra established in 1962. Our motto, 'We for Students' is at the heart of everything we do at the college. The college celebrated its Golden Jubilee in 2012. Keeping pace with modern trends in higher education, the college has full-fledged UG courses in Arts, Science and Commerce along with PG courses almost in all subjects of different streams as well as Ph. D. Research centers. Beside traditional courses we seek to develop and introduce need based, value added, skill based and career oriented new courses. However, the College has been reaccredited for the third cycle with 'A+' grade (CGPA 3.55) by NAAC, Bangalore in 2017. Tuljaram Chaturchand College, Baramati, recognizing the transformative potential of digital technology, is committed to implementing a comprehensive e-governance framework. This initiative aims to enhance the quality of education, streamline administrative processes, and improve overall institutional efficiency. The e-governance policy is designed to foster transparency, accountability, and ease of access to information and services for all stakeholders, including students, faculty, and administrative staff.

Our approach to e-governance involves leveraging modern information and communication technologies (ICT) to automate and optimize various academic and administrative functions. This policy outlines our vision, objectives, and strategic approach towards creating a digitally empowered educational environment at Tuljaram Chaturchand College. Through e-governance, we aim to provide a seamless, user-friendly experience that meets the evolving needs of our academic community and aligns with global standards in higher education. By embracing e-governance, Tuljaram Chaturchand College is poised to enhance its operational efficiency, facilitate effective communication, and ensure the security and privacy of data. This policy serves as a roadmap for the successful integration of digital tools and practices in our institution, ultimately contributing to the holistic development of our students and the continuous improvement of our educational services.

### **Implementation of e-governance in areas of operation in academic year 2020-21:**

#### **1. Administration: -**

- Leave Management System: Maintenance of Leave Management System is done to access and manage their records and reports.

#### **2. Finance and Accounts: -**

- E-Payment System: The e-payment system initiated in the previous year was refined and expanded to include more payment options and better user interface for ease of use.

#### **3. Student Admission and Support: -**

- Library System: - The college has started using OPAC to further digitized existing physical library materials to provide comprehensive online access to students and faculty.

#### **4. Examination: -**

- Online Exam System: In response to the pandemic, the online exam system was upgraded to support remote proctoring, ensuring exam integrity while students took exams from home.

### **Conclusion: -**

The academic year 2020-21 was marked by significant advancements in e-governance at Tuljaram Chaturchand College. The focus on enhancing digital systems and online resources ensured the college could continue to provide high-quality education and services despite the disruptions caused by the COVID-19 pandemic. These initiatives not only improved operational efficiency but also ensured that students, faculty, and staff could continue their academic and administrative activities in a safe and effective manner.

### **Future Directions: -**

Building on the progress of 2020-21, the college plans to further integrate advanced technologies into its e-governance framework. Future initiatives include:

- Further automation of administrative and financial processes.
- Expansion of online student services.
- Continuous enhancement of digital library resources and online learning platforms.
