NAAC-SSR | **Cycle IV** | **2019 - 2024**

Criterion VI: Governance, Leadership and Management

E-Governance Report 2021-22

Introduction: -

Tuljaram Chaturchand College of Arts, Science and Commerce, Baramati, Pune is one of the leading and prestigious colleges in Maharashtra established in 1962. Our motto, 'We for Students' is at the heart of everything we do at the college. The college celebrated its Golden Jubilee in 2012. Keeping pace with modern trends in higher education, the college has full-fledged UG courses in Arts, Science and Commerce along with PG courses almost in all subjects of different streams as well as Ph. D. Research centers. Beside traditional courses we seek to develop and introduce need based, value added, skill based and career oriented new courses. However, the College has been reaccredited for the third cycle with 'A+' grade (CGPA 3.55) by NAAC, Bangalore in 2017. Tuljaram Chaturchand College, Baramati, recognizing the transformative potential of digital technology, is committed to implementing a comprehensive e-governance framework. This initiative aims to enhance the quality of education, streamline administrative processes, and improve overall institutional efficiency. The e-governance policy is designed to foster transparency, accountability, and ease of access to information and services for all stakeholders, including students, faculty, and administrative staff.

Our approach to e-governance involves leveraging modern information and communication technologies (ICT) to automate and optimize various academic and administrative functions. This policy outlines our vision, objectives, and strategic approach towards creating a digitally empowered educational environment at Tuljaram Chaturchand College. Through e-governance, we aim to provide a seamless, user-friendly experience that meets the evolving needs of our academic community and aligns with global standards in higher education. By embracing e-governance, Tuljaram Chaturchand College is poised to enhance its operational efficiency, facilitate effective communication, and ensure the security and privacy of data. This policy serves as a roadmap for the successful integration of digital tools and practices in our institution, ultimately contributing to the holistic development of our students and the continuous improvement of our educational services.

Implementation of e-governance in areas of operation in academic year 2021-22:

1. Administration: -

- ID Card System: Maintenance of ID Card System is done to access and manage their records and reports.

2. Finance and Accounts: -

- Automated Financial Processes: Continued automation of financial processes to reduce manual intervention and improve accuracy in financial management.

3. Student Admission and Support: -

- Library System: - The college has started using Nlist Further expanded access to digital resources, including additional international journals and publications, to support academic research and learning.

4. Examination: -

- Autonomous Examination System – Mark Entry: The college introduced Autonomous Examination System – Mark Entry to manage student marks records.
- Autonomous Examination System – CAP System: The college introduced Autonomous Examination System – CAP System to reduce manual intervention and improve accuracy in examination system.

Conclusion: -

The academic year 2021-22 was characterized by significant advancements in e-governance at Tuljaram Chaturchand College. The integration of CAP and Marks Entry systems, enhancement of financial analytics, expansion of student services, and continued digitization efforts contributed to improved operational efficiency and an enriched educational experience. These initiatives underscored the college's commitment to leveraging technology to provide high-quality education and services.

Future Directions: -

Looking ahead, the college plans to continue expanding its e-governance capabilities. Future initiatives include:

- Maintenance of online student services.
- Further Maintenance of administrative and financial processes.
- Continuous enhancement of digital library resources and online learning platforms.
