WORKSHOP ON DNA BARCODING: HANDS-ON TRAINING MODUL Zoology Department 05/04/2022

Department of Zoology organized a one-day workshop on *DNA Barcoding: Hands-on Training Modul* on 05th April 2022. The event was jointly organized in collaboration with Paul Hebert Centre for DNA Barcoding & Biodiversity Studies, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad. The main objective of the workshop was to inform the students about basics of DNA barcoding & its application. Dr. Chandrashekhar Murumkar presided over the inaugural session of the workshop and enlightened the participants about the importance of DNA bar-coding for research in life science. More than 125 students participated in the workshop. Five resource persons gave a valuable insight on DNA bar-coding, DNA isolation, PCR, sequencing, and data analysis. The resource persons also demonstrated the sample collection technique and pre-performed DNA isolation. The Head of the Department Dr. S.P. Chordiya and his team work hard for the success of the workshop.

Sub: Permission to arrange a workshop / hands-on training on DNA barcoding technique.

Respected Sir,

As a part of Azadi Ka Amrit Mahotsav, Department of Zoology in association with Paul Hebert Centre for DNA Barcoding and Biodiversity Studies, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad is willing to organize one day workshop (hands-on training) in DNA Barcoding technique. The said workshop is to be arranged for faculties & PG students of all life sciences (Botany, Zoology, Microbiology) departments of our and nearby colleges.

This workshop is to be arranged in department of Zoology in the month of April, 2022 on a date suitable to resource person.

The resource person for this lecture will be Dr. G. D. Khedkar & his colleagues; of Paul Herbert Centre for DNA Barcoding, Aurangabad.

We request you to permit to collect Rs. 200/- as registration fee for this workshop and give directions to the concerned department to create link for online payment.

As per prior discussion with Dr. Khedkar, they are not charging any expenses on consumables.

I request you to grant permission to arrange this workshop and sanction the honorarium and TA to the resource persons.

Thanking You,

Yours' Sincerely,

Head, Dept. of Zoology

Sub: Report of Workshop- DNA Barcoding: Hands on Training Module

Respected Sir,

With your prior permission, Department of Zoology had organised one day workshop titled '**DNA Barcoding: Hands-on Training Module**' on **05th April 2022**; in association with Paul Hebert Centre for DNA Barcoding & Biodiversity Studies, Dr. BAMU, Aurangabad. This workshop was the first activity held under the **MoU** between our college & the abovementioned institute. It was organised to commemorate the **Azadi Ka Amrit Mahotsav** and financial assistance was from **RUSA** funds.

The inaugural function was held in seminar hall. It was chaired by the honourable Principal Dr. Chandrashekhar Murumkar in presence of chief guest & key resource person Dr. Gulab D. Khedkar. Dr. Chandrashekhar Murumkar sir delivered presidential speech in which he enlightened the participants about the importance of DNA barcoding in a very intelligible way.

Theory sessions started at 11:00 am in Seminar hall. First session was conducted by Dr. Gulab D. Khedkar in which he explained basics of DNA barcoding & its application. Second theory session was about sample collection & DNA Isolation. It was conducted by Dr. Rajashri Deolalikar. Third theory session was conducted by Dr. Anita Tiknaik; in which she explained PCR, sequencing & data analysis. Theory sessions were completed by 13:30 and lunch break was till 14:30.

Practical sessions were conducted in Dr. H. G. Khorana laboratory; Dept. of Zoology. Dr. Rajashri Deolalikar acquainted the students with all the instrumentation of DNA barcoding. Mr. Amol kalyankar demonstrated the sample collection technique and pre-performed DNA isolation. PCR technique was demonstrated in small groups of 10 students each. It was conducted by all the experts of resource group. Gel electrophoresis was demonstrated by Mr. Nitin Kalyankar. Practical session was finished at 18:30.
