By campaigning in Anekant English Medium School we make awareness about how we promote sustainable development by recycling E-waste in standard 05th to 10th. The purpose of this Corporate Social Responsibility campaigning was to students get the knowledge of proper disposal of E-Waste. Through this campaign, we promoted 3 R's (i.e. Reuse, Recycle and Reduce).

23rd January, 2024 of this activity was 11.00 am to 02.30 pm. Activity was started in college premises in front of Jivaraj Hall. Dr. Ashok Kalange sir inaugurated the event and inspiring the students through his motivational words and explains future importance of proper disposal of E-waste. After that Students engaged themselves in convincing e-waste depositors and collected numerous products from 107 students and staffs such as charger, headphone, radio, mobiles, monitors, DVD, Speakers etc. Croma promised that they will plant a tree for every e-waste we gave to them plus a Rs. 500/- redeemable voucher that can be redeemed in TATA Croma store with proof that they gave us a certificate for participation of each contributor.

We thanked Mr. Sachin Shinde (Store Manager, Baramati) for allowing us to implement this activity in our college.

All the students were very happy during this activity because they got knowledge of Corporate Social Responsibility of corporate. There was a very good response from students. In all 91 students participated in this activity.

It was an intuitive activity and a great learning experience to understand the nuances and realities of the Corporate Social Responsibility, which in itself is a rare exposure. Prof. Mahesh S.
