WORLD OZONE DAY 2021

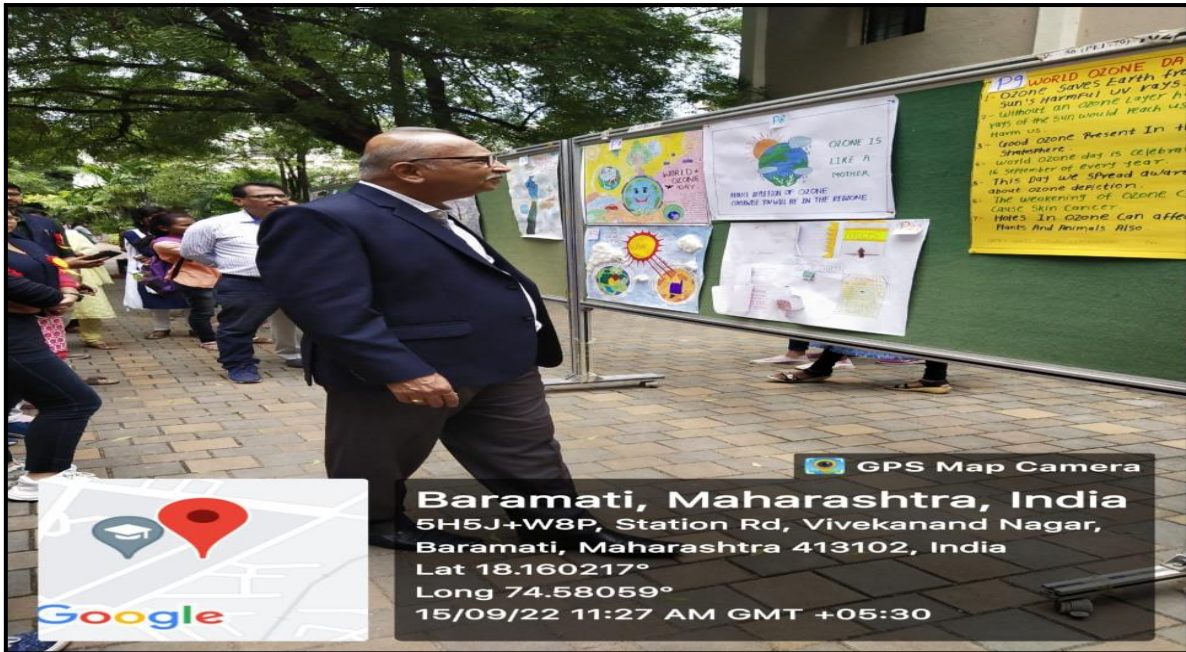

E- Poster-Competition by Environmental Science Department

September 16 is observed as the international day for the Preservation of the Ozone Layer. This day is dedicated to protecting the delicate ozone layer that shields Earth from harmful ultraviolet (UV) radiation. To highlight the importance of ozone layer for our environment and create awareness about climate change, the department of Environmental Science of TuljaramChaturchand College, Baramati organized a *E-Poster Presentation Competition* on 16th September 2021. Due to Covid-19 pandemic, this year's competition was conducted online. Total 25 students competed in the event showcasing the significance of the life-saving ozone layer and measures prevent global warming. The theme of this year's Ozone Day was *Life for Ozone*. The participant students were given e-certificate for successfully presenting their posters via online mode.
