1) Psychological Testing Program for Students: On the occasion of World Mental Health Day department of Psychology and Yoga offers free Psychological Testing Program for Students. In this program students were access to free, confidential, mental health check-up and counselling service. Dr. Sachin Gadekar Vice-Principal was the chairperson for the Inauguration program. Dr. Shinde V. B. (HOD, Dept. of Psychology) in his inaugural address explain the objective behind organizing the lecture and gave the overview of the program. Principal Dr. Sachin Gadekar addressed the gathering and appreciate the activity. Total 45 students from various departments get benefited by this activity. Students from FY to M.A. II year works as volunteer for this activity.

2) Street Play: The students from M.A. I year conducted a street play on mental health awareness in front of Prerana Bhavan at 10.00 a.m. The theme of street play was Youth and Mental Health. The street play was quite interesting and meaningful about the daily confusion, competitive and anxious life. The objective of the street play was to generate awareness on the importance of mental health, to reduce its stigma and to enable all individuals to openly experience and communicate their mental health concern. Street play was performed very well by students with a social message which has the potential to awake the audience about mental health. The play was encouraged by all the department faculties and students.

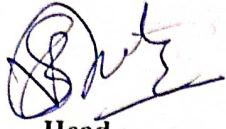

3) Guest Lecture by Dr. Nilesh Mahajan on topic Yoga for Mental Health

The department of Psychology organized a guest lecture on "Yoga for Mental Health" on Tuesday, 10th October 2023 at 11.00 p.m. for the college students on the occasion of world mental health day. The Resource person was Dr. Nilesh Mahajan, Ayurvedacharya, Baramati. Dr. Avinash Jagtap Principal, Tuljaram Chaturchand College, Baramati was the chairperson of the program. The lecture was attended by the 63 students (35 Female and 28 Male). A welcome speech was delivered by Dr. Shinde V. B. (HOD, Dept. of Psychology) who explain the importance of the celebrating World Mental Health Day annually. The speech included a warm welcome to the Guests, Principal, all the respected faculty members and students. It also enclosed a short talk on what is the importance of Mental Health Day. Principal Dr. Avinash Jagtap in his presidential address spoke on the importance of yoga in dealing with various health issues including stress. The guest speaker described about various factors involving in health and how to improve mental health with the help of yoga. He highlighting the importance of yoga especially for the college students, he talked about importance of alignment in yoga. He advised that it is important to have control over 'breathing in and out' while practicing Yoga, while elaborating breathing techniques he talked about Bhramary, AnulomVilom, Kapalbharaati. Dr. Mahajan discussed about the mental health issues and their yogic management. Yoga expert motivated the student for yoga and he explained about the importance of health awareness. Dr. Mahajan demonstrates some physical activity with involving participants. The outcome of the lecture is that awareness has been created and knowledge dispensed amongst the students about the right practices of yoga and breathing techniques for healthy life.

The students were extremely overwhelmed by the lecture delivered by Dr. Nilesh Mahajan as it would be very effective. The students would also like to extend their gratitude to Dr.

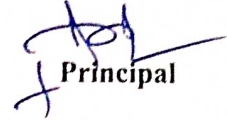

Shinde V. B. and Principal Dr. Jagtap for taking the initiative for organizing the guest lecture for them. The lecture ended with discussion and through the question-and-answer session. Ms. Vaishali Kale (M.A. I) concluded the programme with their vote of thanks speech. She also extended warm thanks to the HOD, Principal, faculty members and students. The session concludes with the feedback from students.
