Date: 12/07/2019

On 12/07/2019, the NSS Unit of Tuljaram Chaturchand College of Arts Science and Commerce, Baramati, actively participated in the Savitribai Phule Pune University SPPU initiative, “Swachh Vari, Swasth Waari, Nirmal Wari, Harit Wari”, aimed at ensuring a clean, healthy, and green environment during the *Waari* pilgrimage. This initiative aligns with the vision of making the annual pilgrimage not only spiritually enriching but also environmentally responsible. Volunteers from the NSS unit contributed to various activities promoting cleanliness, health, hygiene, and tree plantation. The objective of this campaign was to support the government’s mission to maintain cleanliness and promote eco-friendly practices during the *Pandharpur Waari*, an annual pilgrimage in Maharashtra. It emphasized four key pillars: **Swachh Vari** (Clean Waari): Promoting cleanliness throughout the pilgrimage route. **Swasth Waari** (Healthy Waari): Ensuring proper hygiene and health standards for the pilgrims. **Nirmal Waari** (Pure Waari): Discouraging the use of plastics and promoting sustainable practices. **Harit Waari** (Green Waari): Tree plantation and environmental conservation efforts. The NSS unit worked in collaboration with local authorities, NGOs, and community members. Key activities included

Tree Plantation (Harit Waari): As part of the **Harit Waari** initiative, NSS volunteers planted trees along the route to enhance the green cover and contribute to environmental conservation. The trees planted were native species that require minimal water and provide shade to the pilgrims. Volunteers also made sure to water the newly planted saplings. Total 124 NSS Volunteers were present the activity.

Conclusion: The “Swachh Vari, Swasth Waari, Nirmal Wari, Harit Wari” campaign undertaken by the NSS Unit of was a remarkable success. It not only promoted the ideals of cleanliness, health, and environmental sustainability but also instilled a sense of responsibility among the pilgrims. The NSS team played a vital role in ensuring that the pilgrimage was not only a spiritual journey but also an eco-conscious one, resonating with the values of Mahatma Gandhi's vision of “Clean India.”
