#### CELEBRATING WORLD FOOD DAY 2024

*World Food Day* is an international day celebrated every year worldwide on 16<sup>th</sup> October to commemorate the date of the founding of the United Nations food and Agricultural Organization in 1945. The day is also observed to tackle the global hunger crisis and to promote the message that food is fundamental and basic human rights. On this occasion the Department of Food Technology and Research organized different competitions to create awareness about the significance of diversity, nutrition, affordability, and safety of food. The department, in collaboration with AFSTI Pune Chapter, conducted three competitions for the students addressing the theme of World Food Day 2023: Water is Food, Water is Life, No One Leave Behind. The competitions were conducted under the observation of Dr. Wazid Khan, head Food Technology department. In total, 32 students took part in the competitions like Speech Making Competition, Blog Writing and Start-Up-Idea Competition.
