NATIONAL SCIENCE DAY 2023

Poster-Competition by Environmental Science Department

National Science Day is celebrated on February 28 all over India to mark the discovery of the *Raman effect* by Indian physicist Sir C.V. Raman on 28 February 1928. On this day many activities are conducted in schools and colleges across India to spread a message of importance of science in our life. To display all the activities, efforts, and achievements in the field of science for human welfare, the department of Environmental Science of the college organized a *Poster Presentation and Essay Writing Competition* on 28th February 2023 on the topics related to the G20 summit 2023. The topics were: *Climate Change and Disaster Risk Reduction: Making Sustainability as a way of Life, Future of Work: Industry 4.0*. More than 30 students participated in these competitions. Mrs. Surashri Sonawane and faculty members of the department took efforts for the successful organization of the National Science Day 2023.

Subject: A Report of National Science Day 2023

Respected Sir,

Our Department of Environmental Science has celebrated National Science Day 2023 on Tuesday, 28th February 2023, during 02.00 p.m. to 05.00pm. On the occasion of science day we arranged poster presentation and essay writing on different topics like Future of Work: Industry 4.0, Innovation and 21st century", "Climate Change and Disaster Risk Reduction: Making Sustainability as a Way of Life", "Peace Building and Reconciliation: Ushering in an Era of No War", "Shared Future: Youth in Democracy and Governance", "Health, Wellbeing and Sports: Agenda for Youth". This topics are related to theme of G20 summit 2023.

Total 11 students from our college participated in essay writing competition. And total 15 students from our college participated in poster presentation. Students explains their posters and essay to visitors and aware them about nature conservation, sustainable practices, currents issues of our environment. With these two activities department arranged one short quiz competition related to environmental awareness.

We the faculty of Environmental Science department and students are very much thankful to our principal Hon. Dr. Chandrashekar Murumkar sir for constant motivation and guidance throughout the planning and celebration of such days. Once again we are very much grateful to authorities of our college.

Thanks and Regards.

Yours faithfully,

Co-ordinator
