### **Best Practice-I Green Initiatives**

#### **TREE PLANTATION DRIVE**

#### **Activity by BBA (CA) Department**

Tree plantation is a powerful tool for combating climate change, protecting ecosystem and fostering healthier communities. Regular tree plantation contributes to global reforestation efforts and make our earth cleaner and greener. Also, tree plantation helps in enhancing the beauty of the college campus. Underscoring the importance of trees in our life the BBA (CA) department carried out a tree plantation drive to increase green cover on campus, promote biodiversity, and raise awareness about the importance of trees in mitigating climate change. The drive was organized on 26<sup>th</sup> August 2023 with the support of college authorities, faculty members, and student volunteers. In total 18 students gave their active participation to make the activity a huge success.

5	Level of Programme: College/University/State/National	College
6	Funded by: College/University etc.	-
7	Number of Beneficiaries	18

**Detail information of the programme/activity:**

On 26<sup>th</sup> August 2023, Department of BBA (CA) organized a tree plantation drive as part of our commitment to environmental sustainability and community engagement. The event aimed to increase green cover on campus, promote biodiversity, and raise awareness about the importance of trees in mitigating climate change. The drive was organized by the Department of BBA(C.A) with the support of college authorities, faculty members, and student volunteers.

On the designated day of the tree plantation drive, participants gathered at the Pragati nagar on campus to commence the planting activities. Thanks to the dedication and active participation of students, faculty, and staff. Through this initiative, Department of BBA (CA) has reaffirmed its commitment to environmental sustainability and community engagement. The newly planted trees will not only enhance the beauty of the campus but also contribute to the conservation of biodiversity and the mitigation of climate change. We extend our gratitude to all those who contributed to making this event a meaningful and impactful endeavor. Total 18volunteers have participated in this event.

Thanking you,

Hence, I am reporting you.
