PREPARATION OF MODELS FROM PLANT PARTS

Department of Botany organized *Preparation of models from Plant Parts* competition in IQAC Youth Festival 2024 on 27th January 2024. In this competition models from plant parts were prepared by participants and presented. The prepared models were evaluated on the merits of various skills and innovative ideas used by the participants for making models from plant parts. Preparing models from plant parts is an eco-friendly and powerful tool to understand the nature in scientific manner. The event was visited by Principal Dr. Avinash Jagtap and the vice principals of the college. Total 23 students registered and participated in this competition. Dr Bhagwan Mali, Head department of Botany and all the staff took the efforts in making the event grand success.
