GREENER LIVING: SUSTAINABLE ENERGY

Expert's Talk by Environmental Science Department

The department of Environmental Science organized a guest lecture on 12th September 2023 on the topic *Greener Living: Sustainable Energy* to create awareness among the students about energy conservation and protecting bio-diversity. Sustainable energy is the answer to our need. The resource person Dr. S. J. Chavan enlightened the students on inexhaustible sources of green energy such as wind, solar and water. In his informative talk he provided students with a framework for how to put sustainable into practice. Total 32 students were present for the guest lecture. The head of the department of Environmental Science Ms. Surashri Sonawane supervised the program while Ms. Neeta Sarode coordinated the event. Principal Dr. Chandrashekhar Mururmkar appreciated the department for the initiative on sustainable energy.
