ENVIRONMENTAL AWARENESS PROGRAM Activity by Department of Commerce

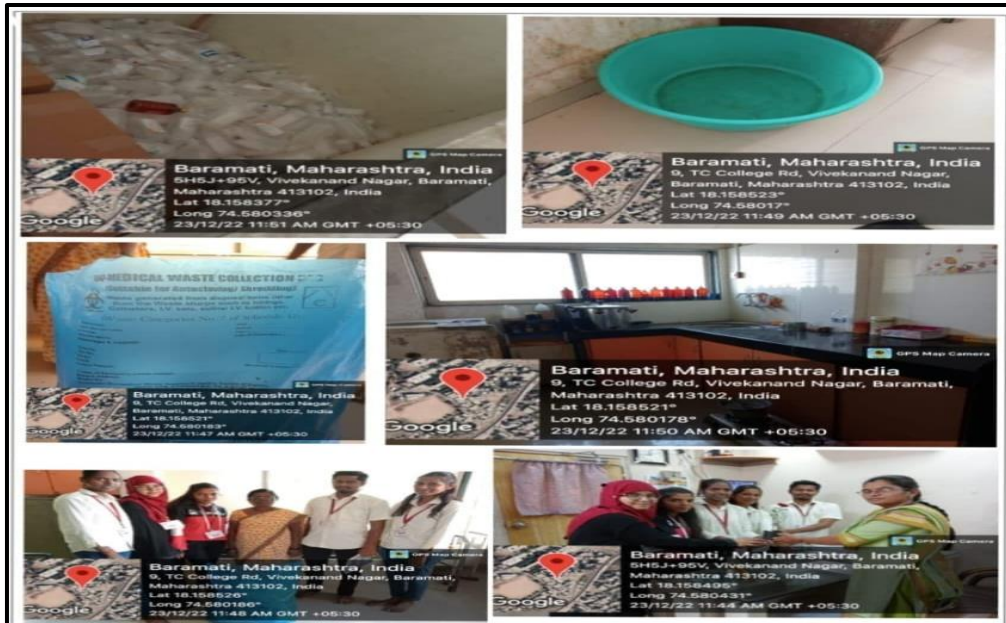

Environmental Awareness was conducted by the department of Commerce during 15-30 October, 2022 for the students of commerce faculty. The activity aimed to create awareness among the students about environmental issues like pollution, climate change, over population, deforestation etc. The participant students visited different places in Baramati to understand the environmental problems like noise pollution, plastic garbage, biomedical waste affecting the eco system of the city. The students create awareness among the people by making posters and planting trees at different places in Baramati. The activity was conducted under the supervision of Dr. J.K. Pawar, Head of the Commerce department. Mr. S.M. Borawake guided the students in the activity. In total 15 students were involved actively for this awareness program.

Report of Environmental Awareness Activity

The Environmental Awareness activity was held in duration of 15.12.2022 to 30.12.2022 at departmental level for SYBCom students. The activity was organized to make them understand the sense of responsibility towards different environmental issues.

Prof. S. M. Borawake elaborated activity to the participants. In the activity totally 15 students were participated and visited different places in Baramati to understand the environmental problems. They have contributed in a different ways such as tree plantation and poster presentation to bring awareness among people of that particular area.

We are sincerely thankful to Principal Dr. Chandrashekar Murumkar for inspiring us to organize such activity. We also extend our sincere thanks to Dr. Janardhan Pawar for their continuous support and encouragement.

With Regards,

Prof. S. M. Borawake
