STUDENT SOLAR AMBASSADOR WORKSHOP 30/12/2019

Energy Conservation Activity by Department of Physics

A **Solar Study Lamp Assembly** workshop was organized by the Physics department on 30th December, 2019 in association with Indian Institute of Technology (IIT), Bombay. The objective behind the workshop was to create awareness among the young generation about climate change, energy sustainability and to create an option for clean and sustainable energy source. The participant students got to know about solar energy and the method to create solar lamps by using tool kit. The workshop enabled them well versed with the technical aspects of all the components and enabled them to assemble a quality solar study lamp. Students gained skills in soldering, use of renewable and non-renewable energy, working of solar panels, assembling components, basic knowledge of printed circuit board (PCB) and light emitting diodes etc. In total 150 students participated in the workshop led by 12 teachers cum trainers. Dr. Vijay Mohite coordinated the workshop under the guidance of Dr. M.K. Kokare, Head, Department of Physics.

Report on, Hands on training on Solar Study Lamp Assembly

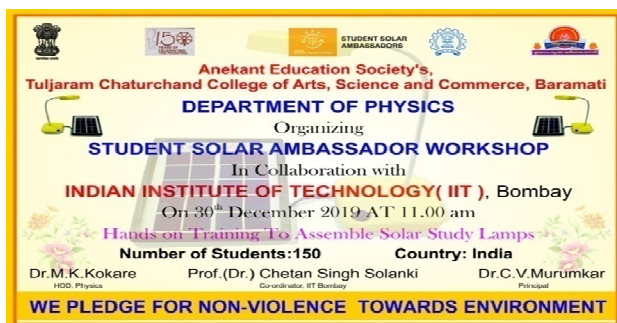

Date: 30/12/2019

- **Hands on training on Solar Study Lamp Assembly** Conducted in collaboration with **IIT Bombay** for UG & PG students on 30th Dec 2019.

Department of physics in collaboration with IIT Bombay organized one day hands on training regarding SOLAR STUDY LAMP ASSEMBLY on 30/12/2019 for all UG and PG students of Physics. Total 150 students and 12 trainers were actively participated for successful completion of the training workshop.

Dr. M.K. Kokare (HoD Pysics) has given introduction about theme of SOLAR Workshop and hands on training to the participant. Principal Dr. CV Murumkar, Prof.(Dr.) S.H.Pawar were present for the inaugural function along with all physics faculty. The oath is given by Principal Dr. CV Murumkar to all the participant students regarding use of solar renewable energy. After that Prof.(Dr.) S.H.Pawar delivered inaugural lecture to all participants. Dr. V.S. Mohite presented a talk explaining the hands on training on solar study lamp designing and its assembly. In the afternoon session, actual hands on training about assembly of solar study lamp were carried out by the trainers and volunteers. Students assembled all the circuit components on the PCB and successfully demonstrated the working model of solar study lamp. The Principal Dr. C.V. Murumkar & Director (CIAR) Prof. S.H. Pawar were present in the valedictory function in which they handed over the working model to a student representative.
