In an attempt to boost green cover, the college initiated to welcome its guest and visitors with plant saplings instead of bouquets. The objective behind this initiative is to boost the plantation drive and cherish the memory of guests visiting the office. The saplings are made in the college nursery. Along with saplings the visitors are also presented with college annual magazine *Anekant* and quarterly published volume of *TCC Chronicle*. Saplings are given on the occasion of welcoming guests, felicitating teaching and non-teaching staff as well as students on their accomplishment.
