Department of BBA

ABOUT DEPARTMENT

Department of Business Administration was established in 2008 to foster the need of management professionals in the different fields. Department executes three years degree program titled as Bachelors in Business Administration. Initially department offers only two specializations that are Financial Management and Marketing Management. But since 2022 we have introduced two more specializations that are Human Resource Management and Service sector management. As a benefit of autonomy, department introduces four certificate course which are mainly skill development courses related to Time Management, Computer Skills, Import export management and Accounting and Banking courses. Department organizes various activities mainly for entrepreneurship development as it is identified as a best practice of department. Every year different industry representatives guide students in the form of Workshops, seminars or guest lecturers to introduce corporate culture to the students. As part of entrepreneurship development activities in coordination with Innovation and Incubation Cell and Internal Quality Assurance Cell, students organizes and executes the events of startup new venture competition, Business fair, i2e Competition, startup Yatra and also Avishkar Project Competition.

From 2022 department initiated consultancy program by giving guidance for business startups in different methods. Under consultancy department also initiate corporate training programs as well. Till date department has established 9 Memorandum of understanding with different firms. Under this various activities for students are executed.
